

MEMBERSHIP ELIGIBILITY & CRITERIA

PARTNER MEMBERSHIP

Partner members are voting members that have full access to Core Services and Special Programs.

Partner Member Eligibility:

Women's Funding Network partner membership is open to the following types of grantmakers:

- Public women's and/or girl's grantmaking foundations
- Private women's and/or girl's grantmaking foundations
- Women's and/or girl's grantmaking programs within larger organizations

Partner Member Criteria:

- The applicant endorses the mission and affirms the purposes of Women's Funding Network.
- The applicant invests in women-led solutions to reshape the way that local and/or global communities solve critical issues
- The applicant distributes at least **75% of allocations** to programs specifically for women and girls.
- The applicant commits to diversity and inclusion within its own organization, and maintains at least **51% female representation** on its board of directors or allocations decision-making body.

ASSOCIATE MEMBERSHIP

Associate members are **strategic partners** that have access to Core Services and benefit from collaborative campaigns, initiatives and strategic communications to advance social justice for women and girls.

Associate Member Eligibility:

Women's Funding Network associate membership is open to the following types of grantmakers:

- Foundations that give a portion (**less than 75%**) of their allocations to programs specifically for women and girls.
- Other affinity groups, associations of grantmakers and social justice organizations that support women and girls as solution builders.

Associate Member Criteria:

- The applicant endorses the mission and affirms the purposes of Women's Funding Network.
- The applicant invests in women-led solutions to reshape the way that local and/or global communities solve critical issues

* Membership admission is subject to approval from the Women's Funding Network's Board of Directors or Executive Committee
